THANK YOU

The STBSA is indebted to Claremont RSLA (President, Committee and Manager) for the use of their facilities and equipment during the running of this tournament. We also acknowledge the assistance provided by their wonderful staff and thank them most sincerely.

Our thanks, also, to Robert Higgins for his outstanding contribution before and during the event in what had been a most trying week. His paperwork – score sheets, program and signage - was, as usual, outstanding.

We also acknowledge the assistance given us by Matt White, John Toogood, Tommy Watson, Robert Higgins, John Matthewson, Peter Randall and Tony Cannan who gave of their time and expertise whilst refereeing during the weekend. We also thank all contestants for refereeing and easing the workload on our accredited referees.
