Roger Smith (30)

THANK YOU

We thank Claremont RSLA (President, Committee and Manager) for the use of their equipment during the staging of this tournament. We also thank the members for their patience and interest in events we run at the Club.

To the Staff, a huge thank you for making us feel at home whilst tournaments are in progress.

Special thanks to Rosie for the treats provided during the weekend.

We thank John Matthewson, John Toogood, Robert Higgins, Peter Randall and Graeme Lindridge for giving of their time and refereeing expertise throughout the weekend.

Many thanks, also, to Marie Roberts; she kept the wheels turning and made sure that all players knew who they were playing and when. Marie also collated and double-checked the score sheets, which saved a lot of time for the organisers and helped straighten out a couple of issues.

In short, thank you one and all for your input – we really appreciate it.

A handwritten signature in black ink that reads "Peter Randall". The signature is written in a cursive style with a large initial "P".
